

DONATING TO TAMWED

Registered Charity 1113533

Tamwed currently supports three programmes with partner organisations in South India.

- It costs £50 a month to employ a gardener and £10 to set up a family herb garden for our **Herbal Medicine Project**.
- £350 pays for a community health worker for a year and a toilet unit costs £35 for our **Community Health Project**
- £20 pays for a farmer to plant drought-resistant crops and trees as part of our **Climate Change Project**.

Detailed information on each of these projects is on our website.

We would welcome financial support – a single donation or through a standing order for which we would post you a form.
